

Fiber Optic Tool Kits and Hand Tools

As the leader in fiber optic training, The Light Brigade understands the special tool needs of technicians and what it takes to do the job in a safe, efficient, and effective manner. Our tool kits were developed with the insight and feedback from experts in the industry. We include options for these tool kits that allow technicians to order variations based on personal preferences without driving the cost of the kits up with unnecessary or redundant tools.

The Light Brigade currently offers the following tool kits:

LBI P/N	Description	Num. Pcs.
T-KCP	Cable preparation tool kit	18
T-KERM	Emergency restoration tool kit	22
T-KMS	Master splicer tool kit	23

We also offer customized tool kits, which can be tailored to meet your specific tooling needs. For more information or to receive our custom tool kit brochure, please call, email, or visit our website.

Cable Preparation Tool Kit

A basic tool kit designed for fiber optic cable preparation and closure/enclosure preparation for splicing inside or outside. For loose tube or premise cable applications where the right tool is needed to strip, clean and prepare fiber optic cable for splicing and termination.

Part Number T-KCP

\$399

T-2CCS	Fiber cable sheath stripper	Ideal
T-2CK	Cable knife	Ripley
T-2CS	Cable slitter	Ripley
T-2CW	Multi-socket can wrench	Ripley
T-2CX	Cable cutters	Ripley
T-2KV	Kevlar™ shears with pouch	Ripley

T-2RT	Ideal buffer cutting tool	Ideal
T-2SC	Splicer's scissors	Ripley
T-3LP	8" lineman pliers	Husky
T-3MS	Miller strippers	Ripley
T-3NP	6" needle nose pliers	Husky
T-3SDP	Screwdriver – Phillips	Stanley

T-3SDS	Screwdriver – standard	Stanley
T-3SR	Seam ripper	Clauss
T-3TM	12' tape measure	Stanley
T-5ETB	Electrical tape – black	3M
T-5SPM	Permanent marker – black	Sharpie
T-5STB	Small tool bag 12" x 11" x 9"	LBI

Emergency Restoration Tool Kit

A specialized tool kit designed for loose tube outside plant applications where fiber optic cable damage has occurred and a quick repair kit is needed to support emergency restoration. Includes hand tools for fiber cable preparation and closure preparation, mechanical splices, and a basic cleaver.

Part Number T-KERM

\$750

S-D2501	Universal Fibrlok assembly tool	3M
S-D2509	Fibrlok II cap lifter tool	3M
S-D2529-6	Universal Fibrlok – Pkg of 6	3M
T-1VL	Staple cleaver	OFS
T-2CCS	Fiber cable sheath stripper	Ideal
T-2CK	Cable knife	Ripley
T-2CS	Cable slitter	Ripley
T-2CW	Multi-socket can wrench	Ripley

T-2CXC	Cable cutters	Ripley
T-2KV	Kevlar™ shears with pouch	Ripley
T-2RT	Ideal buffer cutting tool	Ideal
T-2SC	Splicer's scissors	Ripley
T-3LP	Lineman pliers 8"	Husky
T-3MS	Miller strippers	Ripley
T-3NP	6" needle nose pliers	Husky

T-3SDP	Screwdriver – Phillips	Stanley
T-3SDS	Screwdriver – standard	Stanley
T-3SR	Seam ripper	Clauss
T-3TM	12' tape measure	Stanley
T-5ETB	Electrical tape – black	3M
T-5SPM	Permanent marker – black	Sharpie
T-5STB	Small tool bag 12" x 11" x 9"	LBI

Master Splicer Tool Kit

An all inclusive master tool kit specifically designed for fiber optic cable preparation and closure/enclosure preparation. For loose tube or premise cable applications where the right tool is needed to strip, clean and prepare fiber optic cable for splicing and termination. Includes specialized tools needed to do mid-cable access procedures and prepare special fiber optic cables such as OPGW, ADSS, MicroCable, and armored loose tube for splicing or termination.

Part Number T-KMS

\$750

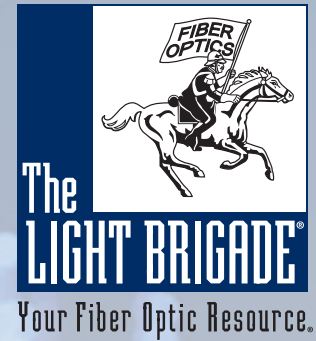

T-2BC	Small bolt cutters–OPGW strands 14"	Workforce
T-2CCS	Fiber cable sheath stripper	Ideal
T-2CKSC	Cable knife and scissors	Ripley
T-2CW	Multi-socket can wrench tool	Ripley
T-2CXC	Cable cutters	Ripley
T-2KV	Kevlar™ shears with pouch	Ripley
T-2OPGW	Mini SST pipe cutter 1/8" to 5/8"	JHL
T-2RT	Ideal buffer cutting tool	Ideal
T-3JP	8" joint pliers	Husky
T-3MS	Miller strippers	Ripley
T-3MSAT	MSAT mid-span access tool	Ripley
T-3NP	6' needle nose pliers	Husky

T-3SDP	Screwdriver – Phillips	Stanley
T-3SDS	Screwdriver – standard	Stanley
T-3SR	Seam ripper	Clauss
T-3TM	12' tape measure	Stanley
T-5ETB	Electrical tape – black	3M
T-5ETBL	Electrical tape – blue	3M
T-5ETG	Electrical tape – green	3M
T-5ETR	Electrical tape – red	3M
T-5HSG	Heat shrink gun	Wagner
T-5SPM	Permanent marker – black	Sharpie
T-HS-Assort	Heat tubes 1/8", 1/4", 1/2", 1" (6" segments)	
T-5LTB	Large tool bag – 11" x 17" x 10"	LBI

Custom Tool Kits

Build your own custom tool kits by picking the exact tools you need. The tools can be individually selected and consolidated into a custom tool kit.

We also offer standardized kits, that have been designed to offer the best possible array of tools for a specific fiber optic discipline. We offer kits for cable preparation, splicing, and emergency restoration. For more information or to receive our standard tool kit brochure, please call, email, or visit our website.

Tool Kit Bags

LBI P/N	Description	Manufacturer	Price
T-5LTB	Large contractor bag – 11” x 17” x 10”	LBI	\$45.00
T-5STB	Small tool bag – 12” x 11” x 9”	LBI	\$35.00

Cable Preparation Tools

LBI P/N	Description	Manufacturer	Price
T-2BC	Small bolt cutters – OPGW strands 14”	Workforce	\$31.95
T-2CCS	Fiber cable sheath stripper	Ideal	\$59.50
T-2CK	Cable knife	Ripley	\$9.42
T-2CS	Cable slitter	Ripley	\$24.68
T-2CXC	Cable cutters	Ripley	\$39.47
T-2KV	Kevlar™ shears with pouch	Ripley	\$17.44
T-2SH	Armored cable sheath cutter	Petro Com	\$200.00
T-3SR	Seam ripper	Clauss	\$19.50

Splicer Specialty Tools

LBI P/N	Description	Manufacturer	Price
T-2RT	Ideal buffer cutting tool	Ideal	\$34.50
T-2SC	Splicer’s scissors	Ripley	\$12.39
T-320	No-Niks – red, 200 µm	Ripley	\$33.72
T-325	No-Niks – blue, 250 µm	Ripley	\$33.72
T-3MS	Miller strippers	Ripley	\$41.32
T-3MSAT	Mid-span access tool	Ripley	\$224.50

Hand Tools

LBI P/N	Description	Manufacturer	Price
T-2CW	Multi-socket can wrench	Ripley	\$45.75
T-3JP	Joint pliers 8”	Husky	\$19.50
T-3LP	Lineman pliers 8”	Husky	\$24.50
T-3NP	Needlenose pliers 6”	Husky	\$19.50
T-3SDP	Screwdriver – Phillips	Stanley	\$10.00
T-3SDS	Screwdriver - standard	Stanley	\$10.00
T-3TM	12’ tape measure	Stanley	\$15.95
T-5HSG	Heat shrink gun	Wagner	\$45.95

Fiber Cleavers

LBI P/N	Description	Manufacturer	Price
T-1CT-10	CT-10 mid range cleaver	AFL	\$647.50
T-1CT-30A	CT-30A precision cleaver	AFL	\$1091.50
T-1VL	Staple cleaver	OFS	\$200.00

Restoration Sealed Closures

LBI P/N	Description	Manufacturer	Price
N-AFLL2400	LL2400 stores 24 single fused fibers, base, cover, one (1) twenty-four position sleeve holder, base, cover, tie-wraps.	AFL	\$15.25
N-AFLLG-250	Sealed fiber optic splice closure – 96 single or 144 mass fusion capable, includes five (5) cable kits for sealing /retention and a grounding terminal. Cable grounding kits, hanger brackets and splice trays not included.	AFL	\$240.75
S-D2178-S	Fiber optic splice case – Contains materials for initial installation of 4 cables. Size: 8.5 x 21.9	3M	\$249.15
S-D2523-48-SF	Fiber splice organizer 48 fusion splices	3M	\$37.51

Splicing Consumables

LBI P/N	Description	Manufacturer	Price
E-802-010	HydraSol cable gel remover – Pkg of 10	Polywater	\$19.50
E-805-300	Econowipes (4"x4") – Pkg of 300	Chemtronics	\$14.50
E-806-080	Alcopads – Pkg of 80	TexWipe	\$23.05
E-812	Reel cleaner	AFL	\$107.00
E-817	Noyes One Click SC, ST, FC cleaner	AFL	\$65.00
E-818	Noyes One Click LC, MU cleaner	AFL	\$65.00
E-FPF1-0900	Fiber prep solution 3 oz.	AFL	\$12.49
S-PHS-40-50	Splice sleeves – 40mm – Pkg of 50	ACT	\$21.65
S-PHS-60-50	Splice sleeves – 60mm – Pkg of 50	ACT	\$21.65
T-5ETB	Electrical tape – black	3M	\$7.50
T-5ETBL	Electrical tape – blue	3M	\$7.50
T-5ETG	Electrical tape – green	3M	\$7.50
T-5ETR	Electrical tape – red	3M	\$7.50
T-5SPM	Permanent marker – black	Sharpie	\$2.00
T-681	Fiber splicing safety kit	Clauss	\$40.86
T-HS-Assort	H/S tubes 1/8", 1/4", 1/2" and 1" (6" segments)		\$8.50
